4th - 6th July Residential trip

6th July Reception to Year 4 to Sealife Centre

w/b 16th July Activity Week

24th July Children break up

## Easter Garden Competition

When it was Tuesday it was the Easter Garden Competition. It started at 9 o'clock at school. It was in the school hall where we have lunch. We put soil in the tin then we decorated the top with plants. The plants were flowers and leaves and some people put stones on. Everyone in the school came.

Everyone's little garden looked good. Miss Cason gave us a thing to write our name on then year 6 and 5 put their little garden on a table then year 4 and 3 then year 2, 1 and Reception.

Then we went to our class and later we are going to have an assembly at 12 o'clock. Then we will know who's the winner. Whoever wins they get a prize.

## The Teddy Bears' Picnic

On Monday it was the teddy bear picnic. First we had lunch and some of the parents came to the teddy bear picnic.

Then we got the bikes out of the shed and the sand. I played with the sand with my friend and we played with mud.

We made a soup with the mud and sand. Then I played with the bikes then I played with my friends and then I

played with the sand again and I made a

chocolate cake. It was made out of mud and it was fun. The picnic lasted for two hours. There were some visitors who came. The visitors names were Willow and Gustus. Gustus had two sisters and they were twins.

For lunch I had a yoghurt, a sandwich, a plum, an orange and a packet of crisps and we had our lunch outside the school.

When it was finished the parents went home. Then we went back into school to get our stuff to take home.
