#### **Mission statement**

**To ensure all pupils are given opportunities that will provide potential for equality of outcomes with support for improved attainment, raised expectations and readiness for life and learning.**

### Barriers to future attainment for pupils eligible for PP

In-school barriers:	
A.	Vocabulary skills - pupils generally enter school with a deficit in terms of everyday vocabulary
B.	Limited language and communication skills impacts on access to areas of learning
C.	Emotional and social needs often accompanied by low aspirations and fixed mindset
External barriers:	
D.	Some issues with attendance and sporadic support at home.

Pupil premium expenditure is reviewed by the senior staff and adjusted to meet any additional needs. We use the latest John Hattie meta-analyses and the data relating to 195 'effects' on student achievement. We also refer to the Education Endowment Fund Toolkit for additional information.
