

Tivetshall Community Primary School
would like to invite parents and carers of all
children
starting school in **September 2019** or later to our
OPEN MORNING
Wednesday November 7th from 9-10.45

Pupils achieve well from their different starting points in reading, writing and mathematics. This is due to the good teaching they receive.

Pupils' behaviour is outstanding. They put into practice the values they are taught. This is a strength of the school's work and is evident in the respect and care pupils show for others.

The school is rigorous in ensuring pupils are kept safe

Pupils in the early years are well taught and have a very positive start to their schooling.

Progress at Key Stage 1 is strong. Current Year 2 pupils are making good progress in reading and mathematics and outstanding progress in writing.

Throughout the school, the most-able pupils make good progress.

(In Early Years) Teaching is good. A particular strength is the work in science and knowledge of the world. Children enjoyed testing a range of natural materials when making a scent, for example, and also the opportunities they get to work alongside the older ones for some activities. Adults supervise the children well at all times to ensure their safety.

Ofsted March 2015

Our induction system for new children is considered to be "excellent - the best locally" (local pre-school provider) and we pride ourselves on our caring and family atmosphere and high adult-pupil ratio in Reception.

Please call us on 01379 677350 to arrange a viewing either on the 7th or a date to suit you.

"I wish it wasn't (the holidays) tomorrow. I love school."

"Camp fires are my favourite activity."

"I love all learning in school."

**Proud winners of the Norfolk and Suffolk
"Scratch Off" coding competition.**
